Office Depot will provide a significant discount on office products (up to 70% on most used items). **This program can be accessed by individuals, not just businesses.** As long as your member or employee of a member has a credit card and internet access, the discounts stay the same and the gross revenue is added to the rebating pool. Office Depot discounts include in-store purchases (with pre-setup swipe card), in-store copies, and internet-ordered copies and printing orders. You don't have to have an Office Depot nearby to use their discounted copy services.

To sign up, fill out the attached fax form and fax it to the address at the bottom of the form. For questions, you can call Wayne Bischoff at 517-899-9586 or e-mail [wayne@nondues.com](mailto:wayne@nondues.com)
