Trails' ***RTP Council of Advisors***. CRT has created the council of organizations that support the continuation and expansion of the Recreational Trails Program in upcoming multi-year authorizations of the national surface transportation program, as well as to encourage State Governors not to "opt-out" of the RTP under the current MAP-21.

By joining the Council, the Advisors agree to sign on to letters supporting RTP that will be sent to Members of Congress, the Administration or to relevant State Governors and/or Legislators. In addition, Advisors are asked to recruit other RTP supporters and to help in a variety of ways.
