Next Gen National Riders (NGNR) Application

Mission Statement: Next Gen National Riders are here to support, promote, and grow potential future snowmobile community leaders along with the sport of snowmobiling for current and future generations.

- **Qualifications:** 21-30 years of age, leader, strong communicator, organizational skills, passion for the sport of snowmobiling, member of a snowmobile club and a member of ACSA.

Responsibilities:

- Next Gen National Riders (NGNR) will support and promote the sport of snowmobiling within their region. This shall be done by promoting Next Gen National Riders to get 21–30-year-olds together to help and support counties, clubs and communities in their regions with snowmobile related events, work days, rides, etc.
- Next Gen National Riders will be responsible for establishing a good form of communication amongst other Next Gen Riders, state and local snowmobile groups, and the American Council of Snowmobile Association via phone and email.
- Next Gen National Riders are also responsible to document, photograph and share what their region has been doing to support and grow the sport via the ACSA e-newsletter, ACSA webpage and social media.
- Next Gen National Riders should be willing to participate in the DC Fly-in, International Snowmobile Congress and regular ACSA full board meetings enabling NGNR representatives to stay up to date on current education and information regarding snowmobiling.

Region: Trail or Mountain Trail

Questions Please Answer:

1. Why do you want to be part of Next Gen National Riders?

2. How are you involved in your own snowmobile community?

3. What qualities or traits do you possess that make you fit to be part of NGNR?

Essay Prompts: Maximum word count of 500 words for all 3 combined questions.

1. How do you envision giving back to the snowmobiling community? (Discuss potential projects or initiatives you would like to be involved in.)
2. What sets your passion for snowmobiling apart from others?
3. What do you believe is the future of snowmobiling?

- ***A 15–30-minute Virtual Interview of all candidates will also be conducted via Zoom with the Future Leaders selection committee. In addition, to the written application to determine the ACSA Next Gen National Riders representatives for the Mountain and Trail regions within ACSA.***
